

JOIN JIM'S 101 FLY TYING CLASS

If you want to know all the basic techniques and tricks of fly tying.
If you want to tie flies faster, easier, and consistently perfect.
This is the class for you!!!

Jim will demonstrate:

The names and parts of a hook
The different types of thread

Jim will teach:

How to tie a half hitch
How to add weights to fly using beads and lead weights
How to make wings and tails from a variety of materials
How to make a parachute
How to spin deer hair
How to use peacock hurl
How to spin dubbing with a dubbing tool
How to make a dubbing noodle
How to stack animal hair

Important Information:

When: February 17, 2018
Where: Odd Fellows Hall in San Luis Obispo
Time: 10:00 AM to Noon
Cost: \$3.00 to cover materials

Participants Should Bring:

Thread: Any color of either 6/0 or 8/0, and
3/0 or 140A (for spinning deer hair)
Notes: Pen and Paper to take notes

Register By February 7th for this class by contacting Jim at:

Lynda.and.jim@comcast.net or
805-235-3738

Jim needs a head count for the class so he can bring enough material for all. Please register!

No matter what your fly tying experience, you will learn something new from this class.
