

Summer Fly Fishing Garage Sale – July 31, 2021

8:00-10:00 a.m.

at

Mark Shelton's house

1423 Ashmore St., San Luis Obispo

Come enjoy the fellowship of our club members while you sell or buy quality fly fishing gear, clothing, etc. So far, we have rods, reels, lines, flies, waders, boots, vests, and other gear from entry-level to top end brands like Simms, Orvis, and Loomis. We'll also sell fly fishing books from a recent donor.

You may bring items to sell or donate to the club for sale. All sale items need to be at Mark's house by 8:00 a.m. July 31. Bring them a day or 2 ahead if you like. Bids on each item will be made until 10:00 a.m., when sales are final. All sales of donated items will benefit our club members and the organizations we support.

Refreshments will be served, so come out and have some fun buying and shopping!
