

SANTA LUCIA Fly Fishers

P.O Box 166 San Luis Obispo, CA 93406

Hi Monti

I hope the new finds all is well at Adamsbuilt. Last year Adamsbuilt supported our Club's Annual Banquet & Fund-Raising Event. Your generous support contributed to the success of that fund-raising effort. That success enabled our Club to continue to promote the development of fly fishing in San Luis Obispo and northern Santa Barbara counties through our casting clinics, introduction to fly fishing clinics, fly tying, and rod building workshops. Last year these efforts resulted growing our club to 125 members.

Equally important, our Club was able to continue our support of local conservation and educational efforts which include the Morro Bay National Estuary Program (habitat restoration and monitoring in the bay and tributaries); and Trout in the Classroom (partnered with Central Coast Salmon Enhancement to bring this educational program to schools in San Luis Obispo and northern Santa Barbara counties). Our Club also supported many other worthy efforts including Project Healing Waters, Western Rivers Conservancy, Casting For Recovery, Kern River Rescue, Cal Trout, Trout Unlimited and Pebble Mine.

Building on this success, we are again asking for your support of our Club's 2018 Annual Banquet & Fund-Raising Event to be held on **March 31, 2018**. Your continued support of this annual event will not only enable our Club to continue with the efforts described above, but to also to launch a new series of workshops intended to introduce and expand interest in fly fishing.

Once again thank you for your past support. Speaking on behalf of our Club members, I hope you will continue your generous support of our Club's efforts. **Your continued support will be acknowledged in our newsletter and on our website. www.santaluciaflyfishers.com** I look forward to hearing from you in this regard.

Best Regards,

Rich Chubon, Vice President
